

Jewelers For Children Canister Program

Methods of raising money vary and can be creative. In the past, retailers have used the following methods, among others, to help JFC:

- Inviting customers and employees to drop contributions into the JFC canister.
- Performing minor services such as watchband sizing or jewelry cleaning for free, and asking that customers put a donation in the JFC canister in return.
- Running a special promotion in which proceeds or a portion of the proceeds from a particular product or service go to JFC.
